

Affirmation train

What is affirmation?

Heb 13:5 *Let your conversation be without covetousness; and be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee.*

Heb 13:6 “So that we may boldly say, The Lord *is* my helper, and I will not fear what man shall do unto me”.

It is speaking in consent, agreement with the word of God. The creative power of the word lies in speaking it forth from your spirit. Affirming the word of God brings and sustains you in the realm of infinite possibilities

Heb 11:3 (AMP) “By faith we understand that the worlds [during the successive ages] were framed (fashioned, put in order, and equipped for their intended purpose) by the word of God, so that what we see was not made out of things which are visible.”

You frame your world and structure the course of your life by constantly affirming the word of God. Remember our Man of God Rev. Dr. Chris Oyakhilome quotes “your life goes in the direction of what you say”

****Affirmation 1***

I affirm that I am excited about my life in Christ. I’ve passed from death to life; from sin to righteousness; from sickness to health; from poverty to wealth. I have the life and nature of God in me; I’ve put on the new man, which after God is created in righteousness and true holiness. God has made all grace [every favor and earthly blessing] come in abundance to me, so that I may always [under all circumstances, regardless of the need] have complete sufficiency in everything [being completely self-sufficient in Him], and have an abundance for every good work and act of charity. This is my time and my season; I am rightly positioned by the Spirit of the Lord for a wealth transfer. Hallelujah! The Spirit of God has open the eyes of my understanding to the right connections and ideas I need to be ahead in my field. I am divinely connected with all resources—human, material, financial—that are consistent with my destiny in Christ. My eyes are anointed to see opportunities, and I am divinely empowered to take advantage of them. I believe and acknowledge the grace of the Lord Jesus Christ who though was rich, made Himself poor that I might become rich. I accept my prosperity as His will and plan for my life. Blessed be God. Hallelujah!
